III.
SUBMITTING AUTHORITY, STATUTORY AUTHORIZATION
FOR CHANGE, AND PROCEDURES UTILIZED FOR CHANGE

The executive authority for Gonzales County is the Commissioners Court. This governmental body is a creature of the Texas Constitution (Article V, Section 18) composed of the County Judge, elected from the County as a whole; and four Commissioners, each elected from a geographic region of the County.

The Commissioners Court is possessed of executive, judicial, and legislative powers granted by the Texas Constitution, as enabled by Legislative enactment.

Among the duties imposed upon the Commissioners Court is the responsibility for establishment of county election precincts and polling places. See Chapter 43, Texas Election Code. A copy of this Chapter of the Texas Election Code is attached under this Tab III, and incorporated herein by reference.

Section 43.002 Texas Election Code vests responsibility for designation of polling places for use in General and Special Elections. Primary Elections are the responsibility of the respective political parties. (See §43.003 Texas Election Code.)

Polling places are preferably located in a 'public building', but this is not always possible. Both the American Legion Building, and the Emmanuel Fellowship are private buildings. (See §43.031, Texas Election Code.)

In any case, the polling place must be accessible to the public. (See §43.034 Texas Election Code.)

State law provides procedures for relocating a polling place. (See §43.061 and §43.062 Texas Election Code.) These procedures were generally followed by Gonzales County in March of 2006, when the American Legion was unavailable. It should be noted that the notice posted by the County Judge (See Exhibit A) was technically the responsibility of the party chairman, but the important operative fact is that notice was posted at the American Legion regarding the change of location to Emmanuel Fellowship for the March election.

The use of the Emmanuel Fellowship for the April 11, 2006 runoff was the second use of this polling place in successive elections (the first being the March 7, 2006 primary election.)

On November 7, 2006, once again the Emmanuel Fellowship was utilized as the polling place for the General Election. This was the third successive election use of this polling place.

Each use of Emmanuel Fellowship as a polling place was accompanied by public notice as indicated by exhibits under Tab I, and ample public notice in newspapers of general circulation in the County.

Re: Grant vs. Gonzales County

Dear Mr. Bass:

Please note the following concerning the current and the proposed Precinct #2 voting sites for Gonzales County:

1. The American Legion Post No. 12 is located at 1612 N. Robertson Street. The building is 250 ft. off of Robertson Street. There is one wide entrance in the front with steps which is not ADA compliant. There is an entrance in the rear of the building which is ADA compliant. The building is currently in the process of being sold to WalMart and will not be available for use as a voting site for future elections.
2. The proposed voting site for Pct. #2 is the Emmanuel Fellowship and is located at 1817 St. Lawrence Street. There are two entrances which are ADA compliant. The building has two ADA compliant restrooms, men and women. The building is 250 ft. off of Fair Street and 400 ft. off of St. Lawrence Street making it accessible from two directions.

If you need any further information regarding these two locations, please give me a call.

Sincerely,

David Bird
County Judge

Subchapter B. Building for Use as Polling Place

§ 43.031. Polling Place in Public Building

(a) In this subchapter, "public building" means a building owned or controlled by the state or a political subdivision.

(b) Each polling place shall be located inside a building.

(c) The building selected for a polling place shall be a public building if practicable. The entity that owns or controls a public building shall make the building available for use as a polling place in any election that covers territory in which the building is located. If more than one authority requests the use of the building for the same day and simultaneous use is impracticable, the entity that owns or controls the building shall determine which authority may use the building.

(d) If a suitable public building is unavailable, the polling place may be located in some other building, including a building on a federal military base or facility with the permission of the post or base commander, and any charge for its use is an election expense. A polling place may not be located in a building under this subsection unless electioneering is permitted on the building's premises outside the prescribed limits within which electioneering is prohibited, except that a polling place may be located in a building at which electioneering is not permitted if it is the only building available for use as a polling place in the election precinct.

(e) A polling place may not be located at the residence of a person who is:

(1) a candidate for an elective office, including an office of a political party; or

(2) related within the third degree by consanguinity or the second degree by affinity, as determined under Chapter 573, Government Code, to a candidate described by Subdivision (1).
